Subject: Pre bid walk through

Jim and Sharon,

Also at 10:00 on Tuesday a pre bid conference is scheduled for potential contractors to view the areas they will be renovating. We are required to make the site available for one conference so they have an opportunity to see the spaces and ask questions. We will need to take them through the area on the north side of the corridor NOT the lab. We will also need to let them take a look at 224 and 224A. Should take about 30 minutes. Sorry for the short notice I forgot to mention this earlier.

Thanks,

Stephen
